

An Introduction to Anti-Bribery Management Systems: Doing Right Things (Paperback)

Filesize: 3.65 MB

Reviews

If you need to adding benefit, a must buy book. It is really simplified but excitement from the 50 percent of your book. I discovered this book from my dad and i recommended this book to understand.
(Dorothy Sawayn)

AN INTRODUCTION TO ANTI-BRIBERY MANAGEMENT SYSTEMS: DOING RIGHT THINGS (PAPERBACK)

IT Governance Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English. Brand new Book. When is a gift not a gift? When it's a bribe. For many, corporate hospitality oils the wheels of commerce. But where do you draw the line? Bribes, incentives and inducements are not just a matter of used banknotes stuffed in brown envelopes. Expenses, corporate settlement of personal bills, gifts and hospitality can all be used to influence business partners, clients and contractors. Can you afford unlimited fines? Under the Bribery Act 2010, a maximum of ten years' imprisonment and an unlimited fine may be imposed for offering, promising, giving, requesting, agreeing, receiving or accepting bribes. With such strict penalties, it's astonishing that so few companies have few or no measures in place to ensure that they are not liable for prosecution. This is especially astonishing as the Ministry of Justice's Quick start guide to the Bribery Act makes it clear that "There is a full defence if you can show you had adequate procedures in place to prevent bribery." Such procedures can be found in BS 10500:2010, the British Standard for anti-bribery management systems (ABMSs). How to implement an ABMS An Introduction to Anti-Bribery Management Systems (BS 10500) explains how to implement an ABMS that meets the requirements of BS 10500, from initial gap analysis to due diligence management: * An introduction to BS 10500 * An explanation of an ABMS * Management processes within an ABMS * Implementing an ABMS * Risk assessment in due diligence * Whistleblowing and bribery investigations * Internal auditing and corrective action * Certification to BS 10500 It provides helpful guidance on the importance of clearly defining policies; logging gifts and hospitality in auditable records; ensuring a consistent approach across the organisation; controls for contractors; facilitation payments; charitable and political...
