## APPLIED EQUIVARIANT DEGREE (HARDBACK)

American Institute of Mathematical Sciences, United States, 2008. Hardback. Condition: New. Language: English. Brand new Book. The book is a self-contained comprehensive exposition of the equivariant degree theory and its applications to a variety of problems arising in physics, chemistry, biology and engineering. This monograph presents the theoretical foundations, construction, and the fundamental properties of the equivariant degree and its practical variations, which are applied to a series of examples from (functional) differential equations. It contains a) the first thorough...

### Reviews

*I just began looking over this ebook. It really is written in straightforward words and phrases instead of hard to understand. You won't truly feel monotony at whenever you want of the time (that's what catalogues are for relating to should you request me).*

-- **Harrison Mayert**

*Here is the very best publication we have study right up until now. It is amongst the most incredible publication we have read through. I am very easily could get a satisfaction of reading through a created publication.*

-- **Tillman Hills**
